

About Crafts Council

Hello, we're the Crafts Council—the national charity for craft. We hope you enjoy getting creative with all the art materials in this pack. Doing art and craft is a brilliant way to be imaginative and creative. It can also be relaxing as well as a lot of fun. We hope that the activity sheet in this pack will give you a few exciting ideas.

We would love to see your creations - if you are on social media please post using #LetsCraft or email to participation@craftscouncil.org.uk

If you want more inspiration – including how to make a puppet out of plastic cups and string, build a den or make your own collage jewellery, visit www.craftscouncil.org.uk/learning/get-making

This pack was made possible with the help of lots of organisations who really care that children get to express themselves creatively including Hobbycraft, Cox London, Yodomo, TOAST, Immediate Media, MADE MAKERS and the Arts Council Bridge Organisations.

Parents and carers:

share what you're getting up to using **#LetsCraft** on social media.

Staying creative helps us feel good!

Take a look at these fun creative activities! All you need are the materials in your pack, things you can find around you and, most importantly your imagination!
